

Tumbler form-actions test fixture

Fields are pre-filled so you can watch Clear/Reset act on them.

typed hasDefault: has /DV Default -> Clear/Reset RESTORES Default, not empty

stuff noDefault: no /DV -> Clear/Reset EMPTIES it

agree: checkbox /DV Off -> Clear/Reset UNCHECKS it

Reset Reset button: /S /ResetForm action -> WORKS, clears the form

Clear Clear button: JavaScript action -> NOT supported, shows a toast only
